## Not allowed to touch you

You were here with me  
But I was denied to touch you  
Touch you in the loving way I wanted to touch you  
It was a hurting experience  
You were right in front of me  
But I wasn't even allowed to touch you  
Even though I did it  
At the concert I gathered you into my arms  
I needed to be near you  
Even if it was just for a few moments  
I just needed to be sure of my feelings  
I know I don't need to tell you  
I think you know what I feel  
But you don't want to know it, because you have a koi  
So I'll just leave this as it is  
I'll come over it sooner or later  
At least I hope so  
I can't even hate you for not allowing me to touch you  
Because I can understand that you want to be with your koi  
This is all so hard for me  
But I hope you get happy...that's the best I can hope for  
Because to see you happy makes me smile...at least a little bit.
