Daydreams - Tagträume

Meine Gedichtesammlung

Von Alaiya

The fallen

The fallen

Tears of the pure hearted

Once they were blessed by god Now they're cursed Once the were the devils foes Now they're his servants

On their way to insight They lost their heart Now they are betrayed And eternal damned

They had been angels Flying in the heavens sky Their wings feathered white And they were holy

But they had been betrayed By god our lord Their wings had been taken White turned into dark

Now they are the fallen
