Liebesgedichte (oder nicht)

Kapitel 4: You know...

You know.

You know how much I like you
You know how much I mind you
You know, how I could die for you
Only You.

I love you.

I love you so much I could cry, with a smile
I love you, so I can't think of anything but you
I love you, but I can't see you, It's so futile
I'm desperate.

You don't know.

You don't know how much I think of you
You don't know how much I care about everything you say
You don't know how much I want to kiss you and hear you say: You may
I want to.

I can't hate you.

I can't hate you even if you hurt me.
I can't hate you even if you cheat on me
I can't hate you even if I know that you don't love me
I know.

You hurt me.

You hurt me with everything you say
You hurt me even if you don't talk with me
You hurt me even if you say Okay
You don't talk serious.

But I know.

I know that you don't really want to hurt me
I know that I won't stop Loving you
I know that you are not to blame for my pain

So I'm okay.
