## Dead Doll

Echo  
resounding  
awaking  
"you cannot escape"  
bloody thirst  
it to come  
again and again  
from moment for moment  
an inexorable chains  
Butterfly Effect  
and you in the middle in it  
feels like it you tears up  
can you it feel?  
Fuck your daughter  
fuck you, fuck you, fuck you  
I hates you  
I hates you  
it, the blind zombies  
Fuck off!  
the play is out  
awake up! you are dead
