He reached above and rested his hand cautiously on *his* cheek. He held his breath, closed his eyes, stood on his tiptoes and brought his lips softly to the *others*.

Said one was stunned and had *his* eyes wide open in shock.

As he had his hand retraced and was fully on his feet again, he looked a little breathless but still began to apologize furiously.

Meanwhile the *other* was still staring at *his* smaller counterpart.

"So soft..." and the brown haired youth was stopped at his apologizing as dry lips pressed to his.
