Epilog

Kurama and Hiei were on their way to Makai. At the entrance to the other world, Yusuke was there waiting for them.

"Yo, guys, what's the hurry, ne?"

"What do you want?" Hiei was in a bad mood (as always).

"Hiei, I can't let you go."

"Why?"

"You know why. You have killed the mother of Kurama."

"No, that's not true, Yusuke. Hiei didn't do anything. It... it was my fault." Kurama bowed his head in shame and stepped closer to the Makai gateway. "If you want to take me prisoner, it's okay."

"Kurama!" Hiei was puzzled.

"Kurama, are you sure?" Yusuke stepped forward and lay some of his charges of Reikai on him.

"Yes."

Urameshi and Kurama walked to the gates but not to enter into Makai, but to Reikai. Hiei stood there, but followed them some seconds later.

When they arrived, Koenma was already informed about everything.

"Kurama I know that it's not your fault, but you shouldn't have asked for the help of Hiei and burned down the house."

"Yes, I know, but I didn't know what to do at the moment."

"That's not like you, indeed." Koenma sighed and released Kurama from his chains.

"I give you one possible chance to not make you prisoner in Reikai."

"Which one?"

"You can go on, living in Makai, but as Youko Kurama. Shuichi Minamino is already dead, so as Youko Kurama you can live on."

"That is what I thought about doing before when Hiei was at my side, but when I saw Yusuke, I thought that it was already too late."

"Besides, I know that there are some demons behind your head, but I know that you are strong enough to survive."

"Arigatou gozaimasu, Koenma-sama."

"Yes, yes... now go I have a lot of paper work"

The two humans walked out and at the same time Shuichi Minamino transformed into Youko Kurama.

"I will live on, I will restore my old past."

"Ok buddy, so good luck and don't make any trouble, cause I'll have to hunt you, too."

"Yeah, but first you have to catch me "

With those words, Kurama disappeared.

"Yeah, it's difficult to catch you, but I will do it if it comes to that!" Yusuke stood there a little more and then returned to the human world.
